Peace Camp operates for 3 weeks during the summer, but many hours of preparation go into creating an awesome experience for campers. We are so grateful that you have chosen to partner with us in this endeavor. Please come, relax, and join in an awesome week of reaching out to kids, teaching and living out various peace-making methods, traditions, and cultural experiences, and helping to make our world a better place by introducing young people to alternatives to violence. We are all needed to help these weeks run smoothly!

As a volunteer, I will commit to being on time for my assignment and checking in with the volunteer coordinator (Irene) or director (Becca) when I arrive. I will commit to performing my volunteer duties to the best of my abilities and with the best attitude possible.
